

# THE FEED

## Ep 13 Realm Walking with Angel Morgan: Show Notes

In this episode, we are #LiveInTheHive with Medium, Animal Communicator, + Realm Walker, Angel Morgan.

Join us as we discuss:

- What is Identity?
- What is Realm Walking?
- Angel shares the story of how she discovered her unique intuitive gifts, the pushback from her family, and the source of her emerging clarity.
- The connection of spirit and the creative and it's healing powers of communion.
- The importance of finding your "tribe".
- Her cultural edgewalking begins in Guatamala, with an experience with an elder medicine man and a dog.
- Angel shares how she works with both clients 1:1 and in her stage and TV shows.

# THE FEEDBACK

**Angel Morgan** is a renowned psychic, medium, and animal communicator celebrated for her 25-year journey. With global acclaim, she connects with loved ones passed, communicates with animals, and taps into spiritual guides both onstage and through private sessions. Through her gifts, she brings closure and fosters self-awareness and love. Angel uses her platform to share teachings from diverse cultures encountered on her adventures, enriching lives with wisdom and compassion.

Angel has made a name for herself both on the screen and on stage, as well as on the airwaves. Her regular appearances on Newstalk 1010 for 7 years, her TV show Raising Energy on Rogers tv, and her engaging presence on social media have made her a well-known household name throughout North America.

As a facilitator for families privately or through media and for companies across the world, Angel is highly sought after for her unique and unparalleled approach.
