Cultural Edgewalking | with Kristin Joy Ekkens

What is Cultural Intelligence? How does it intersect with DEIB? How does it serve being a Change Maker in these challenging times?

Today we are #LIVEintheHIVE with high performance coach, TEDx Speaker, and entrepreneur Kristin Joy Ekkens for a compelling conversation about reaching out of our comfort zones and across the cultural divide.

How can we be more inclusive? How can we, as 21st Century Leaders, embrace a more expanded understanding of adaptability? Join us to learn more about the transformational journey towards inclusion, positive cultural change, and high-performance leadership with Kristin.

In this episode we touch on...

- * Understanding the Shadow side of Identity.
- * What is CQ – Cultural Intelligence?
- * The evolution of Kristins' work, which began with her understanding of the intersection of people, culture, and language > Discovering her passion for ancient wisdom > Living with and learning from diverse cultures > Ultimately going into systems and creating an ecosystem of inclusion.
- * DEIB is under attack in the US.
- * Learn the four foundational skills of cultural intelligence.
- * Difference between equality and equity.
- * Kristins' mission and personal ethos: UBUNTU, and her TEDx talk on this topic.
- * Kristins' latest company addition, Exponential Joy, a membership community: <https://www.exponentialjoy.global> with retreats and gatherings, which recently included a pilgrimage along the El Camino de Santiago.
- * All this and so much more!
